

Headley, Whitehill & Bordon Cricket Club Policy For Managing Children Away From The Club.

The team manager will communicate to parents the date and time of the away game including time of departure from Headley Cricket Club the venue and estimated finishing time.

The team manager will have access to emergency contact names of each player and details of any medical or physical needs that they have.

The team manager will also have a first aid kit and will, if necessary, administer basic first aid to players. They will also have access to calling the emergency services.
